Whether you're looking to raise funds for a cause, sell products, or collect payments for services, Paymattic provides all the tools you need in one simple package. With Paymattic, you can effortlessly create forms to:

- Collect donations for non-profits and fundraising campaigns.
- Accept one-time payments for products or services.
- Set up recurring payments and subscriptions for memberships.
- And much more!

To make this possible, Paymattic is built with extensive connectivity and flexibility at its core.

Connect with Global and Local Payment Gateways

Offer convenience to your customers and donors with support for over a dozen payment processors. Paymattic integrates seamlessly with the world's most trusted payment gateways, including:

- Stripe
- PayPal

- Square
- Authorize.net
- Mollie
- Razorpay
- Paystack
- Payrexx
- SSLCOMMERZ
- Billplz
- Xendit
- Flutterwave
- Moneris
- Viva Wallet

Automate and Extend with Powerful Integrations

Connect Paymattic to the tools you use every day to automate your workflows and enhance functionality. Our growing list of integrations helps you streamline everything from marketing to course enrollment.

- CRM & Marketing: FluentCRM, Mailchimp, ActiveCampaign
- Community, Support & User Management: Fluent Support, FluentCommunity, WP User
- Communication & Automation: Slack, Telegram, Twilio, Zapier, Google Sheets, Webhooks
- Learning Management Systems (LMS): Tutor LMS, LearnDash, LifterLMS

In essence, Paymattic is designed to be the most powerful yet simple-to-use payment solution for WordPress. It handles the complexity of online transactions, so you can focus on growing your business, serving your community, and achieving your mission. We're excited to see what you build with it.
